# Comprehensive Degree Completions Report

## Academic Year 2013

### Definitions

In an effort to provide finer breakdowns and groupings, the Office of Institutional Research, Assessment, and Planning is providing the following additional definitions to report users so that they may better utilize the report.

#### Academic Group

The Academic Group is college or school within the University. Example: College of Arts & Sciences

#### Academic Organization

An academic organization is a subunit of an academic group; typically a department within a school or college. Example: Public Affairs Department in the Henry W Bloch School of Business and Public Administration.

#### Academic Career

An academic career is the grouping of academic work within a level of study. This also refers to a grouping of all academic work undertaken by a student that is grouped into a single student record (transcript). The academic careers used at UMKC are Undergraduate, Graduate, Dental, Medical, Pharmacy, and Law. Many times, the last four careers will be summarized as "Professional."

#### Academic Plan

The Academic Plan is the degree program the student has chosen to study. This also includes all non-degree seekers who will not receive a degree for their coursework, although the coursework will be given credit and accounted for on the student's transcript.

#### Primary Degree

A student's primary degree determines where a student will be counted. Students seeking more than one degree will be counted in the academic plan that has been designated as their primary degree.

#### Unknown (Gender)

Students who have declined to specify a gender.

#### Masters (Academic Level)

An award that requires the successful completion of a program of study of at least the full-time equivalent of 1 but not more than 2 academic years of work beyond the bachelor's degree. These counts also include all Graduate Certificates as well.

#### Doctoral - Research (Academic Level)

A Ph.D. or other doctor's degree that requires advanced work beyond the master's level, including the preparation and defense of a dissertation based on original research, or the planning and execution of an original project demonstrating substantial artistic or scholarly achievement. Some examples of this type of degree may include Ed.D., D.M.A., D.B.A., D.Sc., D.A., or D.M., and others, as designated by the awarding institution. Abbreviation - DOC - RSRCH

#### Doctoral - Professional (Academic Level)

A doctor's degree that is conferred upon completion of a program providing the knowledge and skills for the recognition, credential, or license required for professional practice. The degree is awarded after a period of study such that the total time to the degree, including both pre-professional and professional preparation, equals at least six full-time equivalent academic years. Some of these degrees were formerly classified as "first-professional" and may include: Chiropractic (D.C. or D.C.M.); Dentistry (D.D.S. or D.M.D.); Law (L.L.B. or J.D.); Medicine (M.D.); Optometry (O.D.); Osteopathic Medicine (D.O.); Pharmacy (Pharm.D.); Podiatry (D.P.M., Pod.D., D.P.); or, Veterinary Medicine (D.V.M.), and others, as designated by the awarding institution. Abbreviation - DOC - PROF.

#### Asian Underrepresented (Ethnicity)

Students in this category self-identify as Asian but are not from one of the major ethnic sub-populations of Chinese, Filipino, Japanese, Korean, Asian Indian or Thai.
