Comprehensive Enrollment Report

2013 Summer Semester

The following report details the student population for the University of Missouri - Kansas City for the Summer Semester 2012 term.

NOTES

In the summer of 2012, the University College, designated to help incoming undeclared or exploratory students, was launched. Previously, students unsure of their field of study were admitted to the General Studies program located within the College of Arts & Sciences. With the launch of the University College, these students will now be admitted directly into the University College. Students already admitted to the General Studies program will stay with the College of Arts & Sciences until they select a degree-awardable program.

As part of the launch of the University College, the Registrar's office re-organized the departments located under the Vice Chancellor of Academic Affairs designator. The department previously labeled "University College" that was associated with the VCAA designation was inactivated so as not to be confused with the new school called "University College." Instead, Credit Hours generated by students on study abroad programs will now be counted under the department of "Study Abroad" to better identify these credit hours.

The Department of Physics changed their name to the Department of Physics & Astronomy.

The academic careers used at UMKC are Undergraduate, Graduate, Dental, Medical, Pharmacy, and Law. Many times, the last four careers will be summarized as "Professional."

Academic Plan

The Academic Plan is the degree program the student has chosen to study. This also includes all non-degree seekers who will not receive a degree for their coursework, although the coursework will be given credit and accounted for on the student's transcript.
