^{*}In Fall 2019 there was a 7,425 increase in credit hours in School of Biological Sciences (SBC) having the Department of Chemistry moving under SBC. Additionally, there was an

increase of 1,383 credit hours in the UMKC Conservatory due to the Theatre Department moving under the UMKC Conservatory. The large increase in credit hours were result of 3,261 semester credit hours offered through dual high school credit in Chemistry and twelve hours of the theatre semester credit hours being offered through dual high school credit in the Conservatory. Both of these department moves resulted in a semester credit hour (SCH) decrease in the College of Arts and Sciences.

The student credit hours provided above for the Honors College are <u>not</u> included in the total UMKC enrollment headcount. Students participating in the Honors College programs are also reported within the school of their primary degree.
